To all believers in the United Kingdom

Dearly loved Friends,

As you will be aware, a by-election was recently called to fill the vacancy in the membership of the National Spiritual Assembly following Mrs. Annabel Djalili's appointment to serve as an Auxiliary Board member for protection in the East of England. The by-election has now been completed, and it is with great pleasure that we announce that Dr. Ronnie Yousefzadeh Bindra has been elected to serve as a new member of the National Assembly.

With loving Bahá'í greetings,

Patrick O'Mara,  
Secretary
